

Name _____ Grade _____ Date _____ Homeroom _____

This **ACCESS QUESTIONNAIRE** provides a baseline for assessing student levels in the following areas: Academic, Career, College/post-secondary education, Emotional/personal, Social/cultural Skills.

If you run out of space to write your answers, turn the sheet over and continue writing on the back.

ACADEMIC DEVELOPMENT

1. Tell about a time that you felt proud of something you worked hard to achieve.
2. What are two study skills you use regularly to help you do your best in school?
3. Explain how your success in middle school classes could help you achieve your career goals.

CAREER/COLLEGE DEVELOPMENT

1. Is there a connection between being a successful student and having a successful career?
Explain how the following two qualities might help you get and keep a job: Showing up on time for school; bringing completed homework to class when it is due.
2. List one possible career choice. What schooling do you think you need to prepare for this career—high school, college, other schooling? Which subjects would you need to study?
3. Which talents or interests do you have that might lead you to choose a particular career? Explain in at least two sentences.

PERSONAL/SOCIAL DEVELOPMENT

1. What are three qualities you have—or qualities that you would *like* to have—that make you a good friend?
2. If two close friends of yours were having a disagreement, what three things could you do to help?
3. If you saw someone being bullied, who could you turn to for help? List at least three people.
